Business Update

Date: 27th May 2025

Vipul Organics Limited would like to present the project updates for its greenfield facility at Sayakha, Gujarat, to the shareholders of Vipul Organics Limited:

The Sayakha facility of Vipul Organics Limited will significantly expand the production capacity for Pigment Powder.

The facility has already received Environmental Clearance, Building Plan Approval, and Commitment approvals for resource availability including input water and CEPT support, from the respective regulatory bodies and the construction work is progressing at a rapid pace.

The RCC work for the dedicated Admin and QC building has already been completed.

The civil work for the plant building is currently 60% complete, with a target to finish the entire civil construction for Phase 1 around **August 2025**.

Construction of the Effluent Treatment Plant (ETP) has also commenced and is expected to be completed, along with the necessary infrastructure, around **October 2025**.

Looking at the speed of the progress at the Sayakha Plant, Vipul Organics Limited is optimistic about commencing the Phase 1 production of pigment powder during **Q3 of FY 2025-26**.
